What the Press is Saying About Cleaner-Burning Gasoline

"Reformulated gasoline is clearly the best (air-quality) news in some time."

— Los Angeles Times

"...All of California should welcome the new gasoline like a breath of fresh air on a smoggy day."

—San Francisco Chronicle

"Cleaner gasoline will create immediate and substantial improvements in our air. All Californians should support that."

— San Diego Union-Tribune

"Cleaner gas in effect replaces 3.5 million cars right now with non-polluting ones."

—San Jose Mercury-News

"...promises to be the single most significant clean-air improvement in years."

- Sacramento Bee

"Cleaner-burning gasoline seems like a solution that's appropriate, practical and direct ...something definitely worth cheering about."

— Los Angeles Daily News

"...about as close to instant gratification as smog-fighting work gets, and it will be welcome."

-Riverside Press-Enterprise

"The good news is we will soon be getting even cleaner air in California."

— Contra Costa Times
